No general spectator access on Thursday – Entrants & Entrants Camping Buddy Passes Only.

Gates open 24 hours from 3pm for Camping Entrants & their crew.

Drivers Briefing will be held in the bottom level of the "Club House" of Barbagallo Raceway from 6pm Thursday night, listen for PA Announcements. All entrants must attend a drivers briefing session before they will be permitted to drive on the track.

No Alcohol Policy

Powercruise is an alcohol free event. Alcohol and or glass is not permitted to be brought into the venue. Alcohol WILL NOT be sold at the venue. All vehicles entering and re-entering the venue will be searched for alcohol, any alcohol found will be tipped out.

Driver's Blood Alcohol Limit for the track is 0.00.

Driver's Blood Alcohol Limit for the venue is 0.05.

All entrants will be randomly breath tested by Powercruise staff before entering the cruising sessions and all other track events. You may be arrested by Police if you are caught driving a motor vehicle whilst under the influence of alcohol.

We'd also like to advise all entrants that the police will have a presence outside of the venue, there fore if you are driving an illegal or defective vehicle you can expect the same treatment as you would receive on any other road. So we suggest that if your vehicle is defective that you trailer it to and from the event. The public will be safer and you could save \$\$ in fines, so be a sport and don't take the risk.

Have a great weekend and remember, I along with thousands of other like minded car enthusiasts would like this event to go on for years to come. We don't tolerate antisocial behaviour, so be a sport.
