- 10am to 6pm** Passenger Sign on NEW RULES. Previously, passengers aged 13 and older were permitted in cars. The new rule now requires passengers to be 14 years or older for all cruise sessions on track. The Extreme Cruise session specifically required a minimum age of 14, so to keep things consistent with our current system, we've increased the age requirement across the board to 14. I apologize to those 13-year-olds who were eagerly awaiting their first chance to participate at Powercruise. However, this change was necessary to avoid setting a blanket minimum age of 18, which would have affected even more people. So you might see we have now made kids 13 and under are now FREE.
