**All entrants will be randomly breath tested by Powercruise staff before entering the cruising sessions and all other track events. You may be arrested by Police if you are caught driving a motor vehicle whilst under the influence of alcohol.**

We'd also like to advise all entrants that the police will have a presence outside of the venue, therefore if you are driving an illegal or defective vehicle you can expect the same treatment as you would receive on any other road. So we suggest that if your vehicle is defective that you trailer it to and from the event. The public will be safer and you could save \$\$ in fines, so be a sport and don't take the risk.

Have a great weekend and remember, I along with thousands of other like minded car enthusiasts would like this event to go on for years to come. We don't tolerate antisocial behaviour, so be a sport.
